As a cultural project management firm, Maeya Culture Exchange Group LLC produces and manages two international film festivals every year in the United States. One is **Universe Multicultural Film Festival** that is held in Los Angeles every April, and the other is **San Diego International Kids' Film Festival** that is held in San Diego every September. Maeya's brand-new annual production is **Epic ACG Fest** that is held in Albany every November.

Maeya has many years of experience in the promotion and distribution of family-friendly films, both in the U.S. and in China. As of to date, Maeya has the distribution rights of 63 films imported from China. All of the films have been promoted through participation in various film festivals.

In February 2013, Maeya proudly presented *Cheng Ying Rescues the Orphan*, Maeya's first theater production at Studio 54 Theater in New York's Broadway as well as at the Warner Grand Theater in Los Angeles. On October 18, 2016, Maeya present this Chinese Yu Opera, for the first time, at Dolby Theatre in Hollywood, the home of Academy Awards.

Dear SDIKFF attendees,

It is with great pleasure and honor that we present the 2019 San Diego International Kids' Film Festival (SDIKFF) at the Carlsbad City Library, Carlsbad Senior Center, and MiraCosta College Concert Hall and Clubhouse at Worldmark from August 23th to 25th. The screenings and events at this year's festival are, as always, promoting the idea of entertainment with education.

This year, attendees have the opportunity to view 137 unique films from over 24 countries ranging from features to shorts, from documentaries to animation, and from the silly to the sublime. Attendees can also participate in industry panels and workshops, as well as engage in film Q&As, hosted film receptions and galas, and the real-life action show "Screenplay Showcases"

This year is our 11th year to screen films from China at our festival. A privileged Chinese film delegation will attend the 2019 SDIKFF. This collaboration has proven to be an effective way for filmmaking communities to inspire and learn from each other. The high-quality Chinese family and children films have served as entertainment and education for our audience.

The SDIKFF provides a platform that allows for freely sharing of your views and ideas with those who take part in the same ideals of entertainment and stimulation of all ages through cinematic stories.

On behalf of the SDIKFF committee, we thank you for being a part of our festival in sunny San Diego. I am sincerely grateful for the sponsors, supporters, and volunteers who make this event possible.

Sincerely,

Lynn Tang
